End of May 2023 the association AGM will be in Methven with a week of 4-wheeling prior. The organiser is based in Ashburton with further details to follow early next year.

Mike H and John Wheeler met with Rodney District Councilor to discuss the Muriwai beach access road closure. John has engaged the services of a solicitor to investigate the wrongful closure of Motutara Road Muriwai. The association is proposing to pay 50% of the legal fees and pose the question whether 4wd clubs would be prepared to make a contribution to any action taken against the Council. A show of hands indicated 100% LROCA members present in favor.

Next meeting 1st September will be held at Pt Chev RSA 19:30hrs.

NB. This is your club. The committee is here to assist anything you want to do, put on, advise or direction to where find.

Meeting Closed @ 22:05hs followed by Top of Range tour and Q&A
